DETAILED ACTION

Election/Restrictions

Claims 34 and 19-29 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected species, there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on June 18, 2004.

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Cancel claims 19-29.

Allowable Subject Matter

Claims 1-18 and 30-40 are allowed.

The following is an examiner's statement of reasons for allowance: the art of record when considered alone or in combination neither renders obvious a restraint apparatus and method for restraining a person for an extended period of time, and for securing the person to at least one seat comprising:

(a) a first cuff module (12) to be applied to a first wrist of the person, said first cuff module (12) having a first cuff body positioned around the first wrist and a first

Art Unit: 3743

flexible member (22) connected to said first cuff body terminating in a first releasable connector (14);

(b) a second cuff module (16) to be applied to a second wrist of the person, said second cuff module having a second cuff body positioned around the second wrist and a second flexible member (26) connected to said second cuff body and terminating in a second releasable connector (18); and

(c) first releasable attachment means (24, 28) for releasably securing said first and said second releasable connectors (14, 18) to the at least one seat, such that the person is thereby restrained and secured to the seat.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
